

# SBS Battery Maintenance Supplies

## Battery Watering Carts

Cat. No.	Capacity (Gallons)	Size (H"xW"xD")	Hose Length	Power Supply
CRT 10G	10	41x19x17	9'	Built in battery (S-12330) and charger included
CRT 12V	10	37x17x17	9'	Uses your buildings water supply/pressure
INJ HCT	20	45x20x20	20'	25' AC power cord (110Vac outlet)

## Guns for Watering Carts

Cat. No.	Description
GUN-S	Standard watering gun
GUN-G	Watering gun with auto-shut off

## ANSI-Approved Eye Wash

Cat. No.	Description
7602.1	Portable air pressure operated eyewash with 10 gallon tank
7500	16 gallon gravity feed model (shown with cart/waste container option)
8300	Combination shower and eyewash system - for permanent mount

7602.1

7500

## Water Deionizer

Ion exchanger removes dissolved impurities. The purity is comparable to distilled water. Disposable cartridge makes up to 600 gallons of pure water

Cat. No.	Description
PS300	Total system w/ qty.1 cartridge
PS600	Replacement cartridge

PS300

## No-Ox Battery Corrosion Preventative

Cat. No.	Size	Description
CB-104	4oz	Brush-on No-Ox grease (brush in cap)
CB-304	32oz	Brush on No-Ox grease (brush in cap)
A 202	12.25oz	Battery corrosion preventative spray
E 404	12.25oz	Battery cleaner & acid detector spray

CB-104

## Hydrometers and Thermometer

Cat. No.	Scale	Description
Z-1G	1.100 - 1.320	Industrial grade with heavy duty glass float
Z-1P	1.100 - 1.350	Industrial grade with plastic float
H-99	1.100 - 1.300	Glass float (wall holder available as option)
1353	-20° to 130°F	Includes S.G. correction factor table

1353

Z-1G
