

Flooded Battery Pack with Charger

Available in 12 and 24 Volt Models up to 510Ah

The SBS Power Pack combines the convenience of a built-in charger and a heavy duty, long-life industrial battery.

Features

- Convenient, anytime/anyplace 110 Volt plug-in charging
- Hinged cover for easy access when watering
- Heavy duty epoxy-coated steel tray with ventilated charger compartment
- User-replaceable cables with pull proof insulation
- Five (5) year battery warranty (vs. 1 year on packs which utilize 6-volt auto type batteries) and one (1) year charger warranty
- Available in 12 and 24 volt models up to 510 Ampere Hour
