

STORAGE BATTERY SYSTEMS, INC.

## SBS-PMC Series Power Mobility Carts

Power Supply / Battery Charger

The SBS self-contained battery powered mobile workstation can be used for multiple applications including cash wraps for POS, picking carts for warehousing, distribution, and E-commerce as well as point of care workstation in hospitals. The PMC plugs into any electrical outlet for complete recharging of battery or for parallel power operation. These are just some of the ways SBS helps customers get the most out of their technology. At SBS, we are Power People.
